QUALITY AFFORDABLE INNOVATIVE

Beginning
the Journey

KAINOPHARM LIMITED

Kainopharm is an innovation - driven pharmaceutical company that focuses on providing quality and economical medicines for improving the general wellbeing of human society.

As one of the startup company, we strive to provide the **highest standards** in manufacturing healthcare solutions in the generic pharmaceutical market and herbal formulations.

The company enjoys keeping the pharma world sufficient with affordable drugs and futurely with its substantial development and manufacturing for a healthier world.

Kainopharm is launching with its initial cost effective generic drugs and quality OTC products and will be upgrading to lifestyle disease management.

**INSPIRED BY HEALTHY SOCIETY
DRIVEN BY HEALTH CARE PROFESSIONALS**

καινοτομία (kainotomía) ?

The concept of innovation is of Greek origin kainotomia from the 5th century BC.

The word is derived from *kainos* meaning new or to begin, to make a beginning or making/ doing something new or innovation.

A joint venture by experts & professionals across the Pharmaceutical segments

VISION

To establish an innovative health solution focusing on quality, under the guidance of experts and eminent professionals for the well being of the society.

MISSION

- To deliver cost effective medicines to the public.
- To safeguard the human health with quality medicines and therapies.
- To achieve the holistic health platform through generic pharmaceuticals and traditional medicine systems.
- To upgrade the life via integrated approach of medicine systems.
- To use the benefit of social networking for the betterment of mankind.

Kainopharm public limited is established in 2020 with a aim to provide cost effective healthcare solutions
